E-LEARNING INFORMATION (FOR AN EMERGENCY DAY-INCLEMENT WEATHER, ETC):

Premier Academy plans to utilize E-Learning days on a case-by-case basis beginning with the 2019-2020 school year. Public Act 101-0012, allows for the use of E-Learning days in lieu of traditional snow days or other days taken for emergency closures. E-Learning days allow for Premier Academy students to continue on with their computer-based studies from a location other than the traditional school setting. Please read the questions and answers related to E-Learning (as seen below).

E-Learning Guidelines	
How will I know that it is an E-Learning Day?	If school is cancelled, an announcement will be made via our Blackboard Connect notification system. This system generates automated phone calls, e-mails and text messages to everyone enrolled. When possible, students will be notified at school the day before forecasted conditions suggest the possibility of an E-Learning Day.
How will I check in to have my attendance recorded?	Attendance will be taken in two forms during the school day. First, each student is expected to log into their Teacherease account before 10am and check in for attendance. Those who haven't checked in by 10am will receive an automated attendance message via Blackboard Connect. Secondly, students' attendance will be verified by meeting the coursework expectations listed.
What am I expected to complete on an E-Learning Day?	Ideally, students are expected to meet their daily coursework goal. At minimum, students are expected to complete 4 quizzes/tests OR work online for 3 hours.
What if I have questions about my coursework?	Staff can be contacted between the hours of 9:00am – 2:00pm and can be reached via email or phone (contact information available on www.premieracademymorris.org)

SELF-CERTIFICATION:

What is self-certification?

Schools and districts must conduct temperature and symptom screenings or require self-certification and verification for all staff, students, and visitors entering school buildings. Minooka Community High School is requiring self-certification of Individuals who have a temperature greater than 100.4 degrees Fahrenheit/38 degrees Celsius or currently known symptoms of COVID-19, such as fever, cough, shortness of breath or difficulty breathing, chills, fatigue, muscle and body aches, headache, sore throat, new loss of taste or smell, congestion or runny nose, nausea, vomiting, or diarrhea, may not enter buildings. Individuals who exhibit symptoms should be referred to a medical provider for evaluation, treatment, and information about when they can return to school. Families will need to select the survey link on www.premieracademymorris.org and complete each day in the morning prior to their child leaving for school. Students who have not self-certified will be quarantined and will need to be picked up from Premier Academy.

What happens if a student exhibits one or more symptoms for COVID-19 while at School?

The student will be sent home and must remain home until:

- Ten days of isolation passes, and is fever free for at least 24 hours without fever-reducing medication b. **OR** provides documentation of a negative COVID-19 test and is fever free for at least 24 hours without fever-reducing medication c. **OR** provides an alternative diagnosis or cause from a physician that includes a release to attend school.
- These guidelines are developed in conjunction with the County Health Department under the guidance of the Illinois Department of Public Health. Guidance may change and new protocols may be developed.

What happens if a student is positive for COVID-19?

- The student must stay home for 10 days from symptom onset or positive COVID-19 result. Additionally, the student cannot return until fever free for at least 24 hours without fever-reducing medication. Notification will be made to all close contacts of exposure to a known case (within 6 ft, more than 15 mins)- ie, classmates, busmates, etc. Those sharing living quarters with a positive student, such as a sibling, must quarantine for 14 days.
- These guidelines are developed in conjunction with the County Health Department, under the guidance of the Illinois Department of Public Health. Guidance may change and new protocols may be developed.

What are the known symptoms of COVID-19?

- Fever of 100.4 F or greater or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea

What is the procedure for when a student or staff member is symptomatic or positive for COVID-19? Will the class or school shut down? Will parents be notified of a sick student in their child's class?

At this time we are awaiting additional guidance from the Illinois Department of Public Health (IDPH) regarding notification and quarantine requirements for secondary exposure of possible or confirmed cases. The guidelines require that someone who is experiencing COVID-19 symptoms, or has a positive COVID-19 result, be on a self quarantine for 14 days as prescribed by IDPH. Additionally, if someone had close contact (defined by less than 6 ft apart for 15 minutes or more) with someone who tested positive for COVID-19 or is suspected of having COVID-19 infection should isolate at home and monitor for symptoms for 14 days.

If someone becomes symptomatic at school they will immediately be isolated from others and sent home. Areas will be cleaned and sanitized and those who meet the definition of close contact will be notified and asked to abide by the IDPH guidelines for self isolation. In coordination with our local and state health departments, there could be times when a class, school or even the entire district are moved to exclusive remote learning based on a spike in cases of COVID-19.

SOCIAL DISTANCING:

District is developing procedures to ensure 6-foot physical distance from other persons as much as possible in all areas. Staff and students should abstain from physical contact, including but not limited to, handshakes, high fives, etc.

ATTENDANCE INCENTIVES:

- Monthly: Students who have perfect attendance (on time and present) Monday through Friday will have the opportunity to order lunch 1-2 Fridays per month (at their expense, generally \$5-\$10). Orders and money (exact change or nearest dollar) are collected that day. A Blackboard Connect message will be sent on Thursdays to qualifying students.
- Individually: Students will be acknowledged based on the Merit Recognition system (see chart on pg 7.)

5. Administration reserves the right to excuse absences beyond the 24-hour time period.

EXCUSED ABSENCES:

When a student who is above the age of 17 misses 15 consecutive days of school without valid cause, the student will be deemed to have voluntarily withdrawn, and the student's name will be removed from the District's enrollment roster.

BEHAVIOR/DISCIPLINE

All students are expected to respect themselves, staff, peers and all school property while on school grounds. School grounds consist of the parking lot, buildings, and buses. Violation of school policy on school grounds or during a school sanctioned event will result in behavior sanctions, suspension and/or removal from Premier Academy.

Corporal punishment is illegal and will not be used. Corporal punishment is defined as slapping, paddling, or prolonged maintenance of students in physically painful positions or intentional infliction of bodily harm. Corporal punishment does not include reasonable force as needed to maintain safety for students, staff, or other persons, or for the purpose of self-defense or defense of property.

Instances of bomb threats; possession, use, control or transfer of a weapon or any object that can reasonably be considered or looks like a weapon; drug possession; and physical aggression toward staff will result in involvement of law enforcement and possible removal from Premier Academy.

Appropriate intervention will be used to encourage positive behavior changes; students must be willing to identify goals and work toward the completion of their Behavior Plan and Alternative Education Plan (AEP)/Individualized Optional Education Plan (IOEP). Premier Academy uses a merit/demerit system to track all behavior, both positive and problematic. Actions are assigned numerical values and tracked for recognition or intervention by merits/demerits.

Parent notification of these levels will be made via Blackboard Connect messages.

Conference must take place within 3 business days; student will remain in ALC until meeting is held. If a student is a full participant during merit recovery meetings, they can earn up to 2.5 merits per meeting.

Each student in merit recovery will have the ability to meet with the Assistant Principal 5 times; merit recovery is complete if after the 5th meeting the student is below 30 demerits. However, if the student remains above 30 demerits after 5 meetings or reaches over 30 demerits a second time, they will have the opportunity to have 5 additional merit recovery meetings.

ALTERNATIVE LEARNING CENTER (ALC):

There are some behavior choices that warrant removal from the classroom and more intensive intervention from staff in order to maintain a peaceful and safe learning environment for all students. A student may be placed in ALC if they have engaged in significant classroom disruption, demonstrated disrespect or have been involved in a serious behavior (for example, physical aggression, threatening another person, etc).

Students will be placed in the ALC at the discretion of administration. Refusal to go to ALC will be treated as non-compliance and students may be considered for removal from Premier Academy. Parents/guardians will be contacted if a student is placed in ALC. If the student's behavior does not improve in ALC, parents/guardians will be required to pick the student up from school.

Students must have a successful day while in ALC. Academic work must be completed and there should be no significant disciplinary issues. If a student does not have a successful day, they will remain in ALC until they achieve a successful day. While in ALC, the student loses the opportunity to participate in any incentives (attendance lunch, etc.). Students may not request to go to ALC and ALC will not be used as an alternative classroom.

Failure to comply may result in removal from Premier. Suspensions are carried out under the provisions of Section 10-226 of the School Code of Illinois. Upon a parent/guardian request, a hearing may be held and the case reviewed by a hearing officer. If a hearing is requested, please contact administration within five (5) days of suspension will follow with one day in the ALC to allow for re-engagement into the school building.

Physical contact may be unavoidable and/or required in certain situations that put anyone at risk or in danger.

- ❖ Physical aggression towards any person is unacceptable. Premier Academy has zero tolerance for physical aggression.
- ❖ Actions involving physical contact where injury may occur (hitting, kicking, punching, hitting with an object, hair pulling, scratching, slapping, etc.) will have severe consequences. Consequences for physical aggression/fighting will be determined by Premier Academy administration, including the possible removal from the program.
- ❖ Students who engage in physical aggression/fighting may be subject to arrest. Actions which may not cause physical harm but threaten the safety of students and staff (aggressive behavior other than fighting, instigation of a fight, threats of violence, etc.) will have severe consequences as determined by school administration.

SEXUAL HARASSMENT:

Sexual harassment is strictly prohibited at Premier Academy. An employee, school authority or student is engaged in sexual harassment whenever he or she makes sexual advances, requests sexual favors, engages in verbal/physical conduct of a sexual or sex based nature and/or any other conduct on the basis of sex that has the purpose/effect of:

- ❖ substantially interfering with a student's educational environment,
- ❖ creating and intimidating, hostile, or offensive educational environment,
- ❖ depriving a student of educational aid, benefits, services, or treatment,
- ❖ and/or making submission to, or rejection of, such unwelcome conduct the basis for academic decisions affecting a student

The terms "intimidating"," hostile" and "offensive" include all conduct that has the effect of humiliation, embarrassment, or discomfort. Examples of sexual harassment include, but are not limited to: touching, crude jokes or pictures, discussions of sexual experiences, teasing related to sexual characteristics and/or spreading rumors related to a person's sexual activities.

Sexual harassment is defined by the Illinois Administrative Code as any "unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature." Sexual harassment interferes with a student's right to learn, study, work, or participate in school activities in a comfortable, respectful environment. According to state and federal laws, sexual harassment of students or school employees is illegal and is prohibited in Illinois Public Schools.

To determine whether a situation or encounter is sexual harassment, it is helpful to ask yourself the following questions:

1. Is the behavior of a sexual nature?
2. Is the behavior unwelcome by anyone involved?
3. Does the behavior make you or anyone near you feel uncomfortable?
4. Does the behavior interfere with anyone's ability to learn or participate in school activities?
5. Does the behavior involve one person trying to have some sort of power over another person?
6. Is the behavior part of a repeated behavior?

Types of Sexual Harassment:

- ❖ Verbal- Requests for sexual favors, lewd comments, inappropriate jokes, name calling, unwanted sexual comments
- ❖ Physical- Unwanted touching, kissing, cornering, massaging, rape (assault/battery)
- ❖ Visual- Leering or displaying sexually explicit photos, drawings, or objects, gestures with hands or body of a sexual nature, revealing body parts in a sexual nature

*Students who believe they are victims of sexual harassment or have witnessed sexual harassment are strongly encouraged to discuss the matter with administration, counselor or other building staff. Complaints will be kept confidential to the extent possible given the need to investigate. Students who make good faith complaints will not be disciplined. An allegation of harassment of one student by another will be referred to the building administration for appropriate action, which may include removal from Premier Academy.

CONFLICT RESOLUTION:

Conflict in the classroom is disruptive to the learning environment and will not be tolerated. If the conflict cannot be handled within the classroom, the student(s) may be removed by a staff member (counselor, administrator, etc). Students who refuse to comply with this will face further disciplinary consequences, as decided by administration. Mediation between the student and other person(s) involved may occur if the conflict is not quickly resolved or warrants student removal from the classroom. Mediation to be conducted by the counselor may be requested by administration, parents and/or the student(s) involved. Participation is mandatory in these instances.

DAMAGE TO SCHOOL MATERIALS/PROPERTY:

Any damage to or theft of school materials and/or property will result in fee charges to the student's account. Fees will be based on replacement cost of material and (or) property. Failure to comply with these policies (including internet use policy) may result in removal from Premier Academy.

In the classroom, each student will be assigned a work station and their computer equipment will be checked out to them, including but not limited to the computer unit, monitor, keyboard, mouse and headphones. Students are responsible for their assigned computer items and will be held liable at all times for any damage. If the equipment is misused and subsequently damaged, the parent/guardian of the student to which the equipment was assigned will be responsible for paying the cost of the equipment as restitution. "Misuse" of the equipment includes but is not limited to: altering (or attempting to alter) computer settings, writing/markings on any computer equipment, removing/rearranging keys, tampering with mice, etc.

SCHOOL OPERATIONS DURING A PANDEMIC OR OTHER HEALTH EMERGENCY:

A pandemic is a global outbreak of disease. Pandemics happen when a new virus emerges to infect individuals and, because there is little to no pre-existing immunity against the new virus, it spreads sustainably. Your child's school and district play an essential role, along with the local health department and emergency management agencies, in protecting the public's health and safety during a pandemic or other health emergency.

During a pandemic or other health emergency, you will be notified in a timely manner of all changes to the school environment and schedule that impact your child. Please be assured that even if school is not physically in session, it is the goal of the school and district to provide your child with the best educational opportunities possible.

Additionally, please note the following:

1. All decisions regarding changes to the school environment and schedule, including a possible interruption of in-person learning, will be made by the superintendent in consultation with and, if necessary, at the direction of the Governor, Illinois Department of Public Health, local health department, emergency management agencies, and/or Regional Office of Education.
2. Available learning opportunities may include remote and/or blended learning. Blended learning may require your child to attend school on a modified schedule.
3. Students will be expected to participate in blended and remote instruction as required by the school and district. Parents are responsible for assuring the participation of their child. Students who do not participate in blended or remote learning will be considered truant.
4. All school disciplinary rules remain in effect during the interruption of in-person learning. Students are subject to discipline for disrupting the remote learning environment to the same extent that discipline would be imposed for disruption of the traditional classroom.
5. Students and parents will be required to observe all public health and safety measures implemented by the school and district in conjunction with state and local requirements.
6. During a pandemic or other health emergency, the school and district will ensure that educational opportunities are available to all students.
7. School personnel will work closely with students with disabilities and other vulnerable student populations to minimize the impact of any educational disruption.
8. Students who have a compromised immune system, live with an individual with a compromised immune system, or have a medical condition that may impact their ability to attend school during a pandemic or other public health emergency should contact school officials.
9. During a pandemic or other health emergency, teachers and school staff will receive additional training on health and safety measures.
10. In accordance with school district or state mandates, the school may need to conduct a daily health assessment of your child. Parents and students will be notified of the exact assessment procedures if this becomes necessary.
11. Parents should not send their child to school if their child exhibits any symptoms consistent with the pandemic or other health emergency.
12. Please do not hesitate to contact school or district officials if you have any concerns regarding your child's education, health or safety.

IN CASE OF AN EMERGENCY:

In the event of an evacuation, students will be escorted off site. Parents/guardians will be notified as to the reunification site via the automated calling system.

- ❖ **STUDENT PHONE CALLS:** Phone calls made by students are limited to emergencies only and must be made from the main office. Emergencies will be determined by administration. This does not include calls for food or arranging transportation; these are not considered emergencies.
- ❖ **DISASTER DRILLS:** Drills are held at unspecified times. Each room has emergency exit procedures posted. When an emergency drill sounds, move quickly to the designated exit or area. Do not attempt to take coats or school supplies with you. In case of a fire drill, students should move quickly away from the building to a safe distance, remaining together with their class. When the drill ends, students will return to class promptly and quietly. Various other "Student Safety" drills will be conducted.
- ❖ **FIRE DRILL/TORNADO DRILL:** Fire drill information and evacuation routes are posted in each room. You will be responsible for knowing what to do and for obeying these procedures. In the event of an actual fire or tornado, the teacher in each classroom will give the specific instructions to follow.
- ❖ **SEVERE WEATHER:** If extremely severe weather is imminent, an announcement will be made by the teacher to move their classes to a pre-determined area according to our Tornado Alert Drill. Students are to follow the specific instructions of their teachers.
- ❖ **INCLEMENT WEATHER OR MECHANICAL BREAKDOWN:** In the event of severely inclement weather or a mechanical breakdown in the school's physical plant, school may be closed or the starting time delayed.
